Dear Friends, The usage at the Richland Wilkin Emergency Food Pantry has again reached record levels. Unfortunately the Great Plains Food Bank is also at a record low so that we are unable to get the needed food from them. Please share this news with your parishioners and ask if they could buy even Just One Extra Item when they go to the grocery store. There are collection carts right at the entries they can drop it in. Boxes of cereal are especially needed. If you have questions, please call the director Lois at 701-403-0230.
