What can you skip to help someone else? Maybe you can skip going out for

lunch one day a week or skip the splurge of going out for coffee! It doesn't have to be a big skip but we can all help out. We challenge you to do it for the months of October, November and December. Skip one thing a week or one thing a month. Put the money in an envelope and label the envelope "Skip One" (there are pre-marked envelopes in the rack by the NE entrance). Put your story of what you skipped in the envelope and drop it in the offering plate or bring it to the Bethel office. We are going to donate the donations for the skip one challenge to the Back Pack Program and Skip1.org. If you have any questions, please contact Joyce Johnson @ 640-3599
