The Noisy Offering in August is going to the Backpack Program. This program provides a bag of kid-friendly, shelf stable food for children in Richland-Wilkin counties to take home and eat over the weekend. This bag is placed discreetly into their school backpack. The goal of this program is simple, to ensure kids get enough food. In Richland County, the child food insecurity rate is 9.3%. In Wahpeton alone, approximately 175 K-5th grade students receive a food bag each week.

Our Christian Education Programing year begins September 14, 2022.

Registration is now available on our website. Please fill our one form per child.
