## September

### The Noisy Offering in September: Richland Wilkin Kindship Program

I have been a mentor with the Kindship program for many years. I mentor girls (one at a time) that need a little more attention from an adult who can spare one hour (or more) a week.

We do crafts, bake, take walks, board games, cards, eat together, sit and talk, attend Kinship events and other ideas that the girl would want to do.

After we have been together a few times and she is comfortable, she is anxious to see me again—a good feeling for me for sure!! It is rewarding for both of us!

If you would like to make a difference in a child's life and your own. I would highly recommend giving it a try. It is and has been a wonderful

### Altar Flowers—

September 4— In celebration of Scott & Laure Stiller's twin granddaughters' birthday (Savanna & Bella)

September 11—In celebration of Grandparents Day

September 18—In memory of Linda Azure
