Bethel Family & Friends,

I pray this latest newsletter finds you well. As I write to you, we are gearing up for Lent to begin & busy with worship service & event planning for the Lenten season & Holy Week.

As I have continued to get to know you as a congregation & as individuals, I have been struck by all the changes that have happened here at Bethel the past few years. You've said hello to new members (& we will again on March 30th 😊), said good-bye to good friends & had a lot of staff transition in the pastoral role as well.

As we continue to discern how we can best use our gifts & skills for the good of the wider community, we are experimenting with some restructuring in how we work as a congregation & are enhancing how some of our groups work so that we might better serve our Bethel family & the wider community. All of these changes take time & space to process. There is a grief as we let go of what we have know & a hope as we look into a new future. Recognizing that there are past hurts that need healing & the ongoing grief that continues to happen in our lives, we will be holding a special service of healing on March 30th at both services.

This will be a chance for us to name past hurts & to grieve what we have lost. This will be a chance for those who have lost loved ones during this time apart to name those they lost & remember them. This will also be a chance for us to see how God has been working around & within us to bring healing, new energy & new life to Bethel.

We will also be offering an additional prayer space during the entire Lenten season that will be set up just outside the sanctuary. Our prayer is that this space becomes a place where you can come to find peace & hope in the midst of these everchanging days.

We hope you will consider joining us for Lenten services as well as the service of healing. We also will offer a recording of the services online for those who are not able to join us on Sunday mornings or Wednesday nights in person. However you choose to join us this Lenten season, we hope that it will be a season of hope & healing for you. A season of cultivating what is helpful for you & letting go of that which is not. As we go through Lent, please know you remain in my prayers. I give thanks for our partnership in ministry together. Blessed Lent to each of you, my friends. Your partner on the journey,

Pastor Amy
